

SAINT-GOBAIN COMPLETES IN SINGAPORE, THE ACQUISITION OF CORE INGREDIENTS PTE LTD

Today, **Saint-Gobain Singapore Pte Ltd** is pleased to announce the successful completion of the acquisition of **Core Ingredients Pte Ltd**, as initially disclosed on Feb 15th, 2024.

Core Ingredients is a part of Connell Caldic, a leading distribution solutions provider in the Asia-Pacific region. It is a well-established Singapore-based specialty coatings manufacturer specializing in waterproofing, bio-fouling control, temperature management and sound management for the building protection industry.

This strategic move signifies a pivotal step for Saint-Gobain in Singapore, consolidating its position as leader in **light and sustainable construction** within the Singapore market. Through this acquisition, Saint-Gobain reinforces its portfolio, particularly in specialty coatings, offering a comprehensive suite of solutions and services to better serve the local market. Saint-Gobain will be better positioned to meet the evolving needs of customers in the building protection industry and drive innovation in sustainable construction solutions.

This acquisition is in line with Saint-Gobain's strategic plan, "**Grow & Impact**" which aims to both strengthen the Group's leadership and accelerate its growth by enriching its range of solutions for light and sustainable construction.

About Saint-Gobain

Worldwide leader in light and sustainable construction, Saint-Gobain designs, manufactures and distributes materials and services for the construction and industrial markets. Its integrated solutions for the renovation of public and private buildings, light construction and the decarbonization of construction and industry are developed through a continuous innovation process and provide sustainability and performance. The Group's commitment is guided by its purpose, "MAKING THE WORLD A BETTER HOME".

€47.9 billion in sales in 2023

160,000 employees, locations in 76 countries

Committed to achieving net zero carbon emissions by 2050
